

Appendix F: Sample Nomination Form

Regional District of Kitimat-Stikine Heritage Resource Nomination Form

Please assist us in documenting the heritage resources in the Regional District of Kitimat-Stikine. Do you know of a significant heritage resource in the region? They can be buildings, structures or landscape features. Let us know so we can add it to our heritage resource list for possible inclusion on the heritage register.

Heritage resource (name, type of resource):

Resource location (address, locale or description):

Description of the heritage resource (age, material, scale, style, form of construction, condition):

Significance of the resource (age; context; setting; theme; history within the Regional District; associations with people, groups or events; historical or current use):

Owner/Caretaker:

Photographs (include if available):

Contact name, phone number, email address:

Please note that this is for information collection purposes only; this nomination process does not register or designate heritage resources.

Thanks for helping to identify the Regional District's heritage resources. Please drop this form off at the Regional District office or send it to:
