## Community Update Meetings: Upper Skeena Recreation Plan

Join us for two community sessions intended to obtain your feedback on the work to date and future plans regarding the development of a Recreation Plan for the Upper Skeena.

- **New Hazelton** - Monday, September 12 (5:30 – 8:00 pm). District of New Hazelton Meeting Centre, 3026 Bowser Street.
- **Old Hazelton** - Tuesday, September 13 (5:30 – 8:00 pm). St. Peter's Anglican Church Hall, 4390 Government Street.

An overview of results from the first wave of community consultation meetings held earlier this summer will be provided, as well as draft content for the Upper Skeena Recreation Plan including:

- Proposed vision, mission and goal statements for recreation in the Upper Skeena
- Suggested services to be delivered (within a proposed new facility as well as regionally)

We look forward to hearing your ideas about what types of recreation opportunities need to be available to people living in the Upper Skeena – come and share your thoughts!

***A light dinner will be provided. Please RSVP with Jim Sands at [jsands@sparc.bc.ca](mailto:jsands@sparc.bc.ca)***
